

From the list below, identify the tasks that are necessary when making a cup of hot tea.

- o Fill the teapot with the necessary amount of water
- o Get out your most decorative mug
- o Pour hot water into the mug
- o Place tea bag into the mug
- o Make sure you have 2 different types of cookies available to go with the tea
- o Call your family to let them know the tea is ready
- o Add cream and/or sugar to taste
