

In this exercise you have a series of word pairs. Think about how the two words are related to each other. Can you identify 2 ways in which they are similar to one another? Write down as many pairings as you can remember, on a piece a paper. In five minutes, try to recall the paired words without looking at the paper.

### **WORD PAIRS**

Ketchup - Mustard

Couch - Chair

House - Garage

Penny - Nickel

Newspaper - Magazine

Flashlight - Lamp

Bicycle - Boat

Saw - Scissors
